LB 964, 800

SENATOR DeCAMP: No, that is completely inaccurate. However if you believe that and that makes you happy, stick with it. I think the bill forces the Legislature to redo our tax system and to make major shifts against such a heavy reliance on property. That is what I think it does.

SENATOR CLARK: Senator Koch. Did you want to talk on this, the advancement?

SENATOR KOCH: I'll move the question.

SENATOR CLARK: There is no reason, you are the only one on.

SENATOR KOCH: Thank you.

SENATOR CLARK: The question before the House is the advancement of the bill. All those in favor say aye, all those opposed nay. The bill is advanced. All right, it has been moved that we recess until 11:30? Until 11:30? All those in favor. You want to stand at ease or recess?

CLERK: Mr. President, I have a motion from Senator Maresh. Read Maresh amendment regarding LB 800 (see page 1873 of the Journal).

SENATOR MARESH: Mr. Chairman.

SENATOR CLARK: Yes, Senator Maresh.

SENATOR MARESH: This bill the other day failed to have an amendment added to it that caused some opposition for advancement and I would like to bring this bill back and adopt the amendment that Senator Newell attempted the other day that changes the disregard on the unemployment compensation from \$25 to half the amount the person earns. We would like to get this passed with the Emergency Clause which requires 33 votes and I'm afraid that with 11 opposing votes when the bill advances we might have problems. I would like to see this bill brought back and adopt the amendment to change this provision.

SENATOR CLARK: You heard the motion. All those in favor vote aye, those opposed vote nay. Record the vote.

CLERK: 27 ayes, 1 nay on the motion to return the bill Mr. President.

SENATOR CLARK: The bill is returned. Senator Maresh.
